

Legal Property Owner Outdoor Unit Installation Consent Form

The undersigned Renter/Lessee has requested Internet service from Triangle Communications at the address indicated below. Triangle's Internet service may require installation of an outdoor unit (ODU) on the building. Triangle Communications requires that the legal property owner provide consent for the installation.

By signing below, the undersigned Legal Property Owner hereby consents the undersigned Renter/Lessee's request for installation of an outdoor unit to receive Internet service from Triangle Communications. This agreement also allows Triangle Communications access to the property and premises at the address set forth below to install, operate, repair and maintain equipment related to the Internet service at this premises.
