## RECIPE

### Hattie's Molasses Krinkles

Submitted by Wanda Lucas of Moccasin, MT

#### MIX TOGETHER THOROUGHLY

¾ cup soft shortening  
1 cup brown sugar  
1 egg  
¼ cup dark molasses

#### SIFT TOGETHER AND STIR IN

2 ¼ cups flour  
2 tsp soda ¼ tsp salt  
½ tsp cloves 1 tsp ginger  
1 tsp cinnamon

Chill dough. Roll into balls and dip tops in sugar. Place sugared side up on baking sheet. Sprinkle each cookie with 2-3 drops of water. Bake at 350° for 9-10 minutes.

## RECIPE

### Holiday Cherry Cheese Bars

From HCE/Triangle Cooking for a Cure Cookbook

#### CRUST

1 cup walnut pieces, divided  
1 ¼ cups all purpose flour  
½ cup firmly packed brown sugar  
½ cup butter flavored Crisco  
½ cup flake coconut

#### FILLING

2 (8 oz. each) pkgs. Cream cheese, softened  
2/3 cup granulated sugar  
2 eggs  
2 tsp. vanilla  
1 (21 oz.) can cherry pie filling

#### DIRECTIONS

Heat oven to 350°. Grease a 13x9x2 inch pan and set aside. Chop ½ cup nuts coarsely for topping; set aside. Chop remaining ½ cup nuts finely. Combine flour and brown sugar; cut in Crisco until fine crumbs form. Add ½ cup finely chopped nuts and coconut. Mix well. Remove ½ cup of crumb mixture and set aside. Press remaining crumbs in bottom of greased pan. Bake for 12-15 minutes, until edges are lightly browned.

Beat cream cheese, granulated sugar, eggs and vanilla in a small bowl at medium speed until smooth. Spread over hot baked crust. Return to oven and bake 15 minutes longer. Spread cherry pie filling over cheese layer. Combine reserved coarsely chopped nuts and reserved crust crumbs. Sprinkle evenly over cherries. Return to oven and bake another 15 minutes. Cool; refrigerate several hours and cut into bars.

## RECIPE

### Fudge Squares

Submitted by Ila McClenahan of Havre, MT

#### INGREDIENTS

2 cubes margarine  
2 cups sugar  
6 Tbsp cocoa  
1 cup milk  
2 cups flour  
3 eggs  
1 tsp. vanilla  
½ cup chopped nuts

#### FROSTING

6 Tbsp brown sugar  
3 Tbsp cocoa  
4 Tbsp butter or margarine  
4 Tbsp milk

#### DIRECTIONS

Mix softened margarine, sugar and cocoa very well. Then add eggs and beat. Add milk and flour alternately. Beat well. Add vanilla and nuts. Bake in 10 X 13" pan at 375° oven until done, usually about 25 minutes.

Frosting: Mix all ingredients and boil 2 minutes. Cool slightly and add enough powdered sugar to spread over the squares. Cut into 24 squares with a half walnut on each square.

*Note: This was my mother's (Gertrude Whaley) recipe. She made them for nearly every potluck dinner she went to and always kept some in the freezer for whenever someone would stop by for coffee.*

# FEATURED COMMUNITY- MOORE

With travel limited due to COVID-19, now is a great time for a staycation. Montana has some amazing attractions and communities to visit! Ever wondered where the geographical center of Montana is? According to an article written by the *Lewistown News Argus*, the geographical center of Montana is closest to the town of Moore.

Eddies Corner, just outside of Moore, has been a traveler's destination since 1951. The rich history of this family owned business can be seen in the historic photos on the walls in the dining area. The restaurant is known for serving up a mean breakfast and warm dinner on cold nights. Many travelers have spent the night at Eddies Corner when the roads are closed - you can even pass time at the bar and casino.

Big Sky Grocery has become a draw to the area in recent years. Their selection of deli meats and cheeses are some of the best in the area and you can enjoy a made to order sandwich served on amazing homemade bread. If you are looking for pickled goods, stop by for an amazing selection. The grocery store has a remarkable selection to fill your pantry. Custom-made furniture and sheds are also on display. Stop by and have an ice cream cone while you sit in their patio furniture on front of the store.

Moore Farmers Union Oil Company is a fellow cooperative and community meeting place. Many discussions about local beef and grain markets occur on a daily basis. The station offerings include the

wholesale distribution of animal feeds, fertilizers, agricultural chemicals, and other farm supplies.

Lewistown Propane has been providing propane and fertilizer in the central Montana area over the past 50 years. They have 4 locations, with one located in the heart of Moore. Lewistown propane offers a full selection of agricultural products and services including soil analysis, crop and lawn fertilizer and sale of herbicides and pesticides.

The Office Bar is located in the heart of town and has more inside the building than one would expect from the outside. You can stop by for a drink, a good meal, a tan and even a haircut.

Throttle Down Kustoms, a custom shop for bumpers, frames, skid plates, and vehicle accessories is also located in Moore. Designed with real, honest-to-goodness work vehicles in mind, all of their products are made from laser-cut solid steel and hand-welded by certified, trained professionals. Even though they are located in Moore, they are known all over the world because of the quality of their work.

Located in the community of Garneill is Mountain West Ag Services. They are a leading provider of animal nutrition in the region. Stop by to discuss a custom solution to meet your herds unique needs.

According to the last census, the population of Moore is just under 200 people, but you would never know it by the number of amazing businesses in the area.

## CEO MESSAGE

*Craig Gates, CEO*

It seems like all I have talked about in my CEO messages since March is COVID-19. Unfortunately, this continues to be our reality. As I write this, our lobby remains closed to the public. If you have any landline or Internet needs that Triangle may fulfill, please give us a call. We still have employees here in the office and remote workers who are happy to assist you with your phone and Internet services. Triangle understands the importance of keeping you connected.

It has been a while since I have talked about Triangle's Fiber to the Home (FTTH) projects. Before we finish this year's upgrades, we are already working on next year's projects. The FTTH projects take a lot of planning. It entails cost estimation of the project, mapping, obtaining right-of-way, staking, putting out bids for contractors and ordering materials before the project even begins. And like any business, this must all be done within a budget. I am happy to report that we are on budget and should be done with this year's projects on time.

Currently, we have contractors plowing fiber in Whitewater, Reed Point, Stanford and a portion of Big Timber. They are expected to have the plowing completed in these service areas by the end of December. As routes are completed, Triangle is contacting members to schedule their conversion to fiber. If you are on the routes scheduled for this year, please look for a call and a post card.

The good news is, after we finish this year's projects, we will have 30 of our 39 exchanges completely upgraded to fiber. We still have 5 full exchanges and 4 partial exchanges left to be upgraded. As the year comes to a close, I want to thank all of our employees for putting in the extra effort to achieve what we have accomplished with all of our projects.

To finish this year's last report, I want to wish you all a Happy Thanksgiving, Merry Christmas, and Happy New Year! Stay safe and healthy!

## PHISHING EMAILS- AVOID THE BAIT!

Phishing emails are emails that appear to be from to be from a company or people you know. But they are scammers. They may send you a link to click on asking for personal information like a password, social security number or date of birth or they may even try to gain access to your computer.

### Here is how phishing works:

You get an email or text

- They pretend to be someone you know and ask you to click on a link, give you a password, bank account number or other personal information.
- You think it is real
- Scammers can spoof logos and use fake email addresses. They use familiar company names or pretend to be someone you know.
- They pressure you
- The messages urge you to act now or something bad will happen.

Clicking on a link from a scammer can allow them to install programs that lock you out of your computer and compromise your personal information.

### How to avoid the bait:

Check it out before you click

- Call the company or person directly who you think is contacting you. If you have a contact at the company, use the number or email you know is correct.
- If you do not know them, look up the website for the company name they gave you and see if the person who contacted you really works there.
- NEVER open an email attachment if you do not know who it came from or why you received it

Scam tip-offs

- You do not do business with the company that contacted you.
- Your name is missing, words are spelled wrong or it contains bad grammar.

Be careful- some phishing schemes look very real, check it out and protect yourself.

# CAPITAL CREDITS – ALLOCATION, RETIREMENT AND DISCOUNTING

Triangle Communications is excited to announce a new voluntary discounted capital credit program. Current and past members who choose to participate are now able to receive their discounted value of the member's capital credits. Members may elect not to participate and continue to receive annual refunds over our current rotation period.

## When will I receive my statement and elect to participate form?

The statement should have arrived the week of October 19th.

## How do I elect to participate?

You must return the opt in form to be included.

## What years are included in the voluntary discounted capital credit program?

The years included will be years that you had active service between 1992 and 2019 as a part of the cooperative.

## What is the current number of years capital credits are paid out over?

Currently we are on a 28-year rotation of paying out capital credits through annual refunds.

## When is the deadline to respond if I want to elect to participate?

You will have until November 30, 2020 to return the form if you elect to participate in this voluntary program.

## If I elect to participate, when will I receive the check for the discounted capital credits?

Checks will arrive no later than December 31, 2020.

## What are my options for methods to return the form?

There are four convenient methods you may use:

- Return using the postage paid return envelope that was included with the letter and elect to participate form.
- Drop it off in the night drop at our main office (2121 Highway 2 NW, Havre).
- Fax it to 406-394-7815
- E-mail it to [capitalcredits@itstriangle.net](mailto:capitalcredits@itstriangle.net)

## What do I need to do if I decide not to participate?

If you choose not to voluntarily opt into the program, do nothing and your capital credit account balance will remain unchanged.

## If I change my mind, can I sign up to participate after the deadline of 11/30/2020?

At this point, this is a one-time offer to participate in the discounting program. If a similar program is offered in the future, you could elect to participate at that point in time.

# KEEP CALM and Avoid Coronavirus Scams

Here are **5 things** you can do to avoid a Coronavirus scam:

### Ignore offers for vaccinations and home test kits.

Scammers are selling products to treat or prevent COVID-19 without proof that they work.

### Hang up on robocalls.

Scammers use illegal sales call to get your money and your personal information.

### Watch out for phishing emails and text messages.

Don't click on links in emails or texts you didn't expect.

### Research before you donate.

Don't let anyone rush you into making a donation. Get tips on donating wisely at [ftc.gov/charity](https://www.ftc.gov/charity).

### Stay in the know.

# WHAT SPEED DO YOU NEED?

Let's face it, when it comes to internet, more is more. With Montana-sized Internet from Triangle Communications, you can do more, connect more, and experience more, faster. To select the best internet speed for your household, it is important to consider these factors:

## The more devices you have, the more speed you need.

How many devices do you have in your home, including computers, tablets, smart phones, smart TVs, Blu-ray disc players, video game consoles, and streaming media set-top boxes?

## How do you use the Internet?

Are you surfing on one desktop or is your family simultaneously connected for data-intensive activities such as streaming video and music, online gaming, sharing photos and videos online, video chat, and cloud storage? A relatively slow connection may suffice for the former but for the later you will want a higher speed.

## What are your performance expectations?

If you occasionally watch videos online, you may be willing to tolerate slow load times and buffering but if streaming HD or 4K movies is a cherished part of your routine, you'll be frustrated by slow speeds and the annoying lag that comes with them.

If you have been considering a faster speed, now is the time! Upgrade your speed free for 2 months. If you have any questions regarding what Internet package you should go with, give us a call and let our team find the right speed for you.

Are you having trouble getting a Wi-Fi connection in certain areas of your home or want worry free Wi-Fi? With Triangle's Advanced Wi-Fi service, we will upgrade you to a premium router and improve your home Wi-Fi experience. Plus, you get the service free for 2 months.

Call Triangle at 1-800-332-1201 and or visit our website, [www.itstriangle.com](http://www.itstriangle.com), for all the details. Speeds and availability vary by area. Some restrictions apply.

### Captioned Telephone

**Customer Service:** 888-269-7477

**To call a Captioned Telephone user, dial:**

711 or 877-243-2823

### Special points of interest:

#### Equipment Distribution Program

If you want to learn about the Montana Telecommunications Access Program, please call 800-833-8503. You may also visit <http://dphhs.mt.gov/detd/mtap/mtapequipment>.

#### Emergency Calls

**Please note that 711 can only be used to reach Montana Relay. In an EMERGENCY you should continue to use 911.** For emergencies, call 911 or your local emergency service TTY number directly. The Americans with Disabilities Act (ADA) requires that all 911 centers have a TTY and are prepared to handle emergency calls placed in this manner. Montana Relay will make every effort to assist you in an emergency. However, it is important to understand that relay centers are **not** 911 centers and do not assume responsibility for emergency calls.

### Montana Relay:

Montana Relay is a public service that guarantees all citizens access to prompt, professional and accurate communication through a telephone. Consumers of these specialized services, specifically individuals who are deaf, deaf-blind, hard of hearing or have difficulty speaking, can communicate on the telephone via TTY, Voice Carry Over (VCO), Hearing Carry Over (HCO), Speech-to-Speech (STS), Spanish and Captioned Telephone. The helps ensure the ability to connect with family, friends or businesses with ease.

### How Montana Relay works:

Dial 711 or the toll-free number listed below to connect with Montana Relay. A qualified Communication Assistant (CA) will ask for the area code and the number of the person you wish to call and will begin relaying the conversation. Generally, the CA will voice the typed message from the text telephone (TTY) user to the person on the other end. The CA then relays the spoken words by typing them back to the TTY user.

### Specialized Services:

Montana Relay offers specialized services for individuals who have difficulty speaking, including Spanish-speaking residents. Specially trained CAs are on hand to assist in these types of calls by dialing the associated number provided on this page. Since Montana Relay offers a variety of services please refer to the website listed or call Montana Relay Customer Care for more detailed instruction on how a particular call is processed.

### Captioned Telephone:

Captioned Telephone is ideal for any individual that has a loss of hearing but are still able to speak for themselves. A captioned telephone works like any other telephone with one essential difference: it allows users to listen to their phone conversations while reading word-for-word captions of what's said to them.

### Access to Services:

Both 711 and the 800 numbers are toll free calls and provide access to the same relay services. If you are experiencing trouble dialing 711 when trying to reach Montana Relay, please call Montana Relay Customer Care.

All TRS and English Captioned Telephone services are available 24 hours a day, seven days a week. Spanish Captioned Telephone is available daily from 6:00 a.m. to 10:00 p.m. MST. Consumers may place relay calls to English-speaking and Spanish-speaking people within Montana, across the United States and even internationally. Each conversation is handled with strict confidentiality.

## WHO'S WHO AT YOUR COOPERATIVE - MELISSA ANDERSON

It has been five years since Melissa was highlighted in the Who's Who and a lot has changed. Melissa has now been here seven years. She began her career at Triangle as a receptionist, then

moved to the Residential Customer Service team and is now part of the Business Services team.

As a Business Service team member her main responsibilities include meeting the needs of Triangle's business customers. This includes meeting their phone and Internet needs plus providing quotes to install phone, camera and Wi-Fi systems. When asked what the best part of her job is, Melissa replied, "The people I get to visit with every day. There are great people in our service areas."

Family and friends are very important to Melissa and she loves spending time with both. During camping season, you will find her and her family

spending time in the Bear Paws, at Fresno or Tiber enjoying the great outdoors and lots of laughs. And Melissa has a great laugh! She is also known for her Taco Dip which I am sure is a big hit at any campout and at our office treat days. It isn't surprising that Melissa's favorite family vacation destination is spending time in Glacier National Park.

Thanks Melissa for being such a good sport and taking time out of your day to answer my questions!
